

SOUTH COAST AREA OF NARCOTICS ANONYMOUS

HOSPITALS AND INSTITUTIONS SUBCOMMITTEE

GUIDELINES FOR 2016-2017

I. DEFINITIONS AND PURPOSE:

The Hospitals and Institutions Subcommittee of the South Coast Area of Narcotics Anonymous (“SCA H&I”) is a group of recovering addicts who believe “That no addict seeking recovery need ever die...without finding a new way to live.” May we provide the necessary services to these addicts.

This concept should always be our primary concern. This helps ensure that when an addict reaches out for recovery we in Narcotics Anonymous (“NA”) will be there for them the way NA was there for us. In order to do this, we should carry a clear message of recovery to addicts confined in correctional institutions, hospitals and/or recovery houses. This is accomplished through the operation of panels that visit them on a regular basis. These panels are comprised of panel leaders and panel speakers.

This committee is directly responsible to the Area Service Committee (“ASC”) of the South Coast Area of Narcotics Anonymous (“SCANA”) and meets the last Sunday of each month at 4:30pm.

II. COMMITTEE FUNCTIONS:

- A. To carry the NA message and disperse literature to all facilities we currently serve in the SCANA.
- B. To conduct a monthly business meeting.
- C. To participate in a regional Hospitals and Institutions (“H&I”) workshop and/or Learning Day each year.

If no qualified members are interested in the position, a vote of confidence may be given at their first meeting and they may be voted in the following month.
- C. Nominations for panel leaders or officers may be submitted by voting members verbally. However, anyone attending the SCA H&I meeting may participate in the discussion process if a nomination is on the floor.

X. SCA H&I Orientation Package

The SCA H&I Orientation Package is attached hereto as pages 12 to 19 and is hereby incorporated into these guidelines.

SCA H&I Orientation Packet

Initial Orientation

This SCA H&I Orientation packet contains the information needed for Narcotics Anonymous (“NA”) members to become familiar with Hospitals and Institutions (“H&I”) work, so they aren’t rushed into it without any preparation for this service. Many people are quite apprehensive about getting into H&I for a variety of reasons, but everyone has something to offer.

This packet has been compiled by the Hospitals and Institutions Subcommittee of the South Coast Area of Narcotics Anonymous (“SCA H&I”) to give a brief outline of some of the specifics that will be important for you as a member. The SCA H&I Handbook gives a much more in-depth look at H&I work in Narcotics Anonymous if you decide you want to learn more about this rewarding type of service.

Personal Commitments-Panel Speakers

Please DO NOT volunteer to speak on a SCA H&I panel if you are not sure you will be able to attend the panel.

If something comes up and you will be unable to make it, try to give the panel leader at least 48 hours notice, so that they can invite someone else to fill your spot. DO NOT ask someone to take your place or even to come along with you to the meeting. THE PANEL LEADER IS THE ONLY ONE ALLOWED TO INVITE PEOPLE TO THE PANEL.

SCA H&I Requirements for Panel Speakers

You have been invited to carry the message of recovery through SCA H&I panel because:

1. You have at least 6 months clean and proper security clearance, if necessary.
2. You have a clear NA message of recovery.
3. You are willing to comply with all of the SCA H&I’s and the facility’s requirements.

The Panel Format

Please use the attached, approved meeting formats for your specific facility.

Questions and Answers

It is a good idea to encourage questions concerning what was presented at the panel or other general questions about NA, but here are a few things you should keep in mind.

Please remember that NA has no opinion on outside issues. Occasionally during the question and answer period or when talking after the panel, the residents will ask us to give an opinion on outside issues such as:

1. Other recovery programs or fellowships.
2. The facility, i.e., "Do I need to stay in treatment?"
3. Many other issues that do not pertain to recovery from addiction in the NA Fellowship.

It is very important that we are not drawn into these types of discussions!! Always remember to only share your experience, strength and hope about YOUR recovery in NA.

Men with Men, Women with Women

Some facilities house only men or only women. Other facilities house both men and women, but keep them separate. In these facilities, where your panels will consist of only men or only women, we feel strongly that only same-sex NA members should participate. Remember, our primary purpose is to carry the message of recovery. Exceptions can be made when approved members of the same sex are not available to take the panel and the facility's rules allow for this substitution.

Adolescents

When adolescents are referred to in this packet, we are referring to anyone under the age of 18. We need to remember that adolescents are prospective members, and should be treated with respect. When sharing in an H&I panel, we need to remember that to an adolescent, the stress experienced due to peer pressure or the relationship with their parents and/or teacher may be just as much a crisis to them as losing a job, marriage, or house may be to others. In NA, we learn to deal with our feelings and emotions and share with others how we have been able to work through them by utilizing the Twelve Steps of NA. Please refrain from speaking insensitively to their age, how much they used or using history.

Due to the governmental statutes regarding adolescents, we need to be especially aware of facilities' rules and regulations as they relate to our interaction with these prospective members. For example, some facilities may require a staff member to be present during panels. One suggestion we may make to administrators of facilities for adolescents is that they make attendance at the H&I panel voluntary. We have found this reduces distraction, increasing the opportunity for recovery in the NA Fellowship.

While some people maintain that adolescents respond better to people closer to their own age, the bulk of our experience suggest that the age of the person sharing at an adolescent H&I panel is secondary to their ability to share a strong, clear message of recovery. Adolescents seem to respond more to the message than to the messenger.

All H&I panels are highly structured and should be geared towards recovery through the 12 Steps of NA.

GENERAL DO's and DON'Ts

| DO's | |
|------|--|
| DO | Remember that this is a “we” program. No addict should feel that they are being preached to. |
| DO | Remember that an addict is an addict, regardless of age. |
| DO | Tell them that there is fun in recovery, i.e., social events, fellowship, etc. |
| DO | Make schedules of outside meetings available to residents. |
| DO | Clarify the facility's rules with anyone you bring in. |
| DO | Try to get all agreements with the facility in writing. |
| DO | Start and end on time. |
| DO | Briefly explain what H&I is. |
| DO | Make it clear that NA is separate and distinct from the facility as well as other fellowships. |
| DO | Dress appropriately for the facility. |
| DO | Keep staff aware of your whereabouts at all times. |
| DO | Ensure all literature you bring into a facility is stamped with the SCA H&I information. |
| DO | Screen all panel speakers carefully, especially regarding their clean time or other requirements. |
| DO | Explain the language that we use (“addict”, “clean”, “recovery”) and why we use it. (The 1 st Step of NA and the 6 th Tradition of NA). |
| DO | Emphasize that NA recovery is available to any addict, regardless of “type” of drug(s) used. |
| DO | Follow all security regulations at all times. |
| DO | Emphasize the importance of getting a sponsor and a home group, the ongoing nature of recovery, and the importance of attending meetings (suggest 90 meetings in 90 days upon discharge and/or release). |

| DON'Ts | |
|--------|--|
| DON'T | Glorify your past. |
| DON'T | In panels with adolescents, don't say, “I feel like I'm talking to my kids.” |

| | |
|-------|---|
| DON'T | Compare your bottom to theirs. |
| DON'T | Patronize anyone. |
| DON'T | Comment on the methods used by the treatment facility. Not all facilities are 12-Step based nor do their understanding of the Steps necessarily coincide with the understanding gained in NA. We share our experience without reference to the facility's methods or to the resident's comments. |
| DON'T | Debate the merits of the treatment center's program or of other Fellowships. Remember, we have no opinion on outside issues. (10 th Tradition). The best approach is to focus on the positive and unique qualities of our program. Keep your Basic Text handy and read from it. It is the foundation of our program of recovery. |
| DON'T | Break another person's anonymity or tell anyone else's story. |
| DON'T | Debate issues involving the facility's rules or regulations. |
| DON'T | Get involved in discussions on outside issues, remember why we are there. |
| DON'T | While sharing, pay too much focus on what it was like. They already know. |
| DON'T | Debate which drugs are acceptable. NA is a program of complete abstinence from ALL drugs. |
| DON'T | Discuss conditions within facility, or opinions about staff members. |
| DON'T | Carry excessive cash or wear expensive or flashy jewelry. |
| DON'T | Show favoritism to any resident(s). |
| DON'T | Give out your or any other person's address or phone number. |
| DON'T | Carry in any contraband items, such as cell phones, cigarettes, or weapons |
| DON'T | Give anyone money. |
| DON'T | Give or accept gifts. |
| DON'T | Carry letters or messages in or out of any facility. |
| DON'T | Knowingly take a member who has friends or family in the facility. |
| DON'T | Get involved in a discussion about an inmate's guilt or innocence. |
| DON'T | Rely on "flooding" a facility with literature to carry our message. The most powerful tool for carrying our message is the NA member. |
| DON'T | Read too many literature selections at the beginning of the panel. Keep it short and simple to keep their attention. |
| DON'T | Let the panel run too long. (Most treatment center residents spend much of their day in meetings of one sort or another, often in the same room). |
| DON'T | Collect any money. |
| DON'T | Use excessive profanity. Excessive use of profanity or the use of vulgar stories in your sharing is strictly prohibited by the authorities of all facilities and strongly discouraged by SCA H&I. |

10. No member will interfere with or use any influence in any institutions, courts, or hospitals, nor with any judge, doctor, probation officer or parole officer. 11. NA case histories, life stories, and/or NA principles or NA general information are to be the main topics of NA panels conducted within all institutions served by SCA H&I. All speakers and panel members must strictly comply with this regulation, confining their talks solely to the NA message of recovery.

Remember at all times that you have a responsibility to the facility, to the residents, and to NA. If you observe and follow the above suggestions, and follow the Twelve Traditions of NA, you will uphold your responsibilities to all three.

This panel is being held here to provide a place for addicts who are unable to access outside meetings. Out of respect for our speaker we ask that you do not converse with each other during the panel. We will provide time at the end for questions you may have concerning outside meetings, sponsorship, the 12-Steps, or other questions related to program of Narcotics Anonymous. We are not able to answer questions you may have about recovery programs, probation status, court appointed programs, or medications. Narcotics Anonymous has no opinion on outside issues. I will pass around the facility attendance sheet for you to print your name and booking number for attendance credit here at the facility. Attendance cards will be signed and returned at the end of the panel.

Narcotics Anonymous is all-inclusive in respect to any mood-changing or mind-altering chemicals including alcohol. What we share in this meeting is our own experience, strength, and hope. This is a spiritual program not a religious one, so please don't let the word GOD offend you.

SCANA H & I JOPLIN PANEL FORMAT INTRO:

Hello, my name is _____ and I am an addict. Welcome to the Joplin H & I meeting of Narcotics Anonymous.

We are members of a subcommittee of Narcotics Anonymous called Hospitals and Institutions. We are not affiliated with this facility in any way. We are a group of recovering addicts who volunteer our time to bring a message of recovery to people who cannot get to outside meetings.

Narcotics Anonymous is a fellowship of men and women who share their experience, strength, and hope with each other so that we may solve our common problem and help each other recover from addiction. Are there any other addicts here besides myself?(Ask for a show of hands). For those of you who do not believe you have a problem with drugs or that drugs did not play a part in landing you here in this facility, there is an information pamphlet on the table called "Am I an Addict", that we suggest you pick up at the end of the meeting. This may help you in identifying your problem. The solution to that problem is Narcotics Anonymous.

This is a spiritual, not religious program, so please don't let the word GOD offend you.

Tonight, I have brought _____ to share their experience with addiction and recovery. After the speaker shares, we will have time for questions.

First, there are readings done at the beginning of all regular NA meetings. We have brought samples from a few of these readings and we appreciate your participation.

I have asked someone to read:

WHO IS AN ADDICT
WHAT IS THE NA PROGRAM
WHY ARE WE HERE

We will now go around the room and introduce ourselves starting on my left.
