

SOUTH COAST AREA NA DECEMBER 2024 CLEAN SHEETS

This month of Clean Sheets is featuring ways to be of Service and to Carry the Message to the still suffering addict. The message is that an addict, any addict, can stop using drugs, lose the desire to use, and find a new way to live.

Our primary purpose is to carry this message, to practice these principles, and to be of service to others. Narcotics Anonymous needs your help and service to continue to carry this message.

Step 12- Having had a spiritual awakening as a result of these steps, we tried to carry this message to addicts, and to practice these principles in all our affairs.

**It's time for the South Coast Area NA's
12 Days of NA!!!
December 21- January 1, 2025**

The Holidays can be a challenging time to stay clean on our own.

South Coast Area NA's 12 days of NA help bring us together. On each of these 12 nights, a fellow addict will be hosting a party in the spirit of unity, love, belonging, and service, and any addict is welcome to come! These **12 Days of NA** bring us together as we celebrate the holidays with *the family we get to choose!* The details of the parties will be posted on our www.southcoastareana.com webpage link to the 12 Days of NA.

If you'd like to host a party-
Call Jody C.- 949-294-2337

Being of service in N.A.

When I entered the rooms, I was welcomed with hugs
The room was inviting, coffee & mugs
People said welcome home, we're glad that you're here
We can't do this alone, we need you, we care.
Help is needed to set-up the chairs, hand out the readings and
lead us in prayer

The Secretary wrote down the names of the ones that read
Those who were new, took clean time and shared
The Treasurer passed the basket and counted the donations
They provided the balance, and shared the expenses
At the business meeting, a motion was made, how much to
contribute was decided by a vote

Our 7th Tradition supports our local Area, keeping them thriving
& afloat

A new secretary, treasurer, and a Group Service Rep were elected
It's a spirit of rotation, helping meetings survive, when members
join in and contribute

It doesn't take much, just giving some time and a willingness to help.
Service has kept me connected and active in my recovery. It's
fulfilling to be making a positive difference. I've grown most when
I've gotten out of self and given myself in service.

To keep the doors open for the newcomers, old timers and the still
suffering addicts, To make sure our meetings stay active,
We need every member to pitch in to make it happen.

In Loving Service, Nancy M. 11/5/2009
